## Where to cycle?

Information on where to cycle in County Durham, whether you're a commuter, cycle for leisure or you're visiting the area.

County Durham has 543km of bridleways, 45km of byways and over 150km of railway paths which offer excellent facilities for leisure and commuter use. A growing number of cycle lanes complements the off-highway facilities and helps create a more comprehensive network.

## Cycle routes in County Durham

- County Durham West: Hills and Hollows - Trees and Trails
- County Durham North: Skirting the Cities - Routes to Roam
- County Durham South: Villages and Towns - tracks without Trains

These are available at our various libraries and venues across the county. [contact us](#) if you want a copy.
