

GETABOUT BY... PARK & RIDE

Park and Ride is available by bus and rail in the north east with eight railway stations and three bus park and ride sites providing plenty of free Car (except Aberdeen Rail Station) and Cycle parking and direct and hassle free routes into the city centre. Cycles can also be carried free of charge on trains.

Bus Park and Ride facilities are currently available at Kingswells, Ellon and Bridge of Don. All three sites are served by frequent and direct services into Aberdeen city centre. Two further sites are planned on the A96 and on the A90(S) at Portlethen tying in with the Aberdeen Western Peripheral Route and creating a ring of park and ride sites around the city.

Bridge of Don Park & Ride

To Union Street via King Street Monday to Saturday.

Ellon Park & Ride
