

# Enterprise Car Club

## Enterprise Car Club - Pay for a car or van only when you use it

Vehicles can be booked for as little as half an hour or up to 7 days through the

Enterprise Car Club website or mobile app. Search for and reserve a vehicle at a moment's notice, or weeks in advance at any time of the day or week; Simply unlock the cars and vans with your smartphone app or contactless access card, retrieve the keys from the glovebox (protected with your own designated PIN) and drive off. At the end of your reservation, simply return the vehicle to its original location for the next person to use after you have safely locked and ended your trip.

The vehicles give residents, workers and businesses a greener, more convenient and cost-effective alternative to car ownership whilst reducing congestion.

Manchester City Council sees Enterprise Car Club as an important tool for tackling congestion in Manchester with the offer of practical, cost-effective access to a car when needed, which compliments alternative methods of transport in the city such as public transport, walking and cycling.

The fleet of low-emission vehicles is located in and around the city including the following locations:

- City Centre
- New Islington
- Northern Quarter
- Spinningfields
- Chorlton-cum-Hardy
- Didsbury
- Hulme
- Withington
- Salford
