Car Club

Car Club operator Co-Wheels has vehicles available for public hire in Dumfries and across the UK.

What is a Car Club?

Car clubs give people a **safer, cleaner and greener** way to access cars when they need them.

Will it work for me?

The car club is a great option for everyone but it makes even more sense if you...

- Own a vehicle but use it infrequently
- Need access to a second vehicle but don't want the expense of owning one
- Are likely to need car hire at any time
- Need access to a 7 seater
- Want to avoid the costs of owning a vehicle including unexpected repair bills
- Are a young driver facing high insurance costs for owning your own vehicle
- Want to "go green" and give up your own vehicle
- Want access to vehicles throughout the UK

They are easily accessible, parked in their own designated **parking bays** across town locations UK wide. You'll never have to fight for a parking space again!

It's very **simple** to use. Maintenance, paperwork, insurance and tax are **all included!** And you just need to use a smart card to unlock the car.

It's a **cheaper** alternative to running your own car. Research has shown that it can save drivers as much as £3,500 a year!

Registering with Co-wheels will also give you access to book any of their cars across the UK. [Find out where you could go here](#)

Registering is so simple,

1. Click on the link to go to the CoWheels online registration page, it only takes **5 minutes**.
2. You will get a short telephone call from Co-Wheels to complete licence validation.
3. You will receive a smart-card to give you access to the vehicles.

For more information, or to sign up now: or call us on 01387 260137 to check if you qualify for a special offer.
