# Train

## West Midlands by train

### Fast, frequent, reliable journeys

Welcome to one of the biggest, most-integrated rail networks outside of the capital. Be it for business or pleasure, you're better connected than ever, whether you're travelling in the West Midlands, or beyond.

If you're going further afield, you're right at the heart of the National Rail network. London, Manchester, Scotland and Wales are all easily accessible, as is Birmingham Airport.
